8 SERVINGS PER PIZZA

Whilst Domino's Pizza takes due care preparing their pizzas, due to not being an exclusive gluten free environment, it cannot be guaranteed that these pizzas will be 100% free from gluten.

Nutrition values are based in average figures and on standard product formulation.

Actual serving size and nutrient values may vary. Ingredients are subject to seasonal variation. Nutrition values and serve size do not apply to special customer orders. This information is correct as from April 2019.
